\*Outside USA, I will let you know how much shipping costs after I have your items packaged up and weighed. Be aware that it's expensive, possibly more than your item(s). If you are inside the USA and prefer to pay exact cost for shipping, that's fine with me. Trying to guess an appropriate shipping price is super hard!

Fillable PDFs work best if you open them in Adobe Acrobat, either on your computer or your phone (or tablet). This one will do all the calculations, but you do need to add quantities, including the one for shipping (in case you're choosing the pick-up-at-con option or the exact-price-pay-later-shipping option. The numbers recalculate when you move your cursor to another field.

Proceeds after paying costs will go to the Winterfest Online 2022 selected charity, Doctors Without Borders.

I hope to have shirts mailed out before Winterfest Online begins.

Thank you for your support!
